

Drapes and swatch wallets

To run your colour consultations, you will probably need a minimum of a selection of drapes, a cover-up cape plus four Seasonal wallets and / or the six Tonal wallets. I don't run a franchise and you are free to source your own drapes and wallets, so these are not included in the course fees.

Suggested starter set

However, the following is a suggestion for starting out, all at wholesale prices (correct as at January 2010 and subject to change):

| Qty | Item | Each | Total |
|-----|-------------------------|-------|--------|
| 60 | Seasonal starter drapes | 2.47 | 148.20 |
| 2 | Gold & silver drapes | 2.47 | 4.94 |
| 1 | cover-up cape | 11.49 | 11.49 |
| 4 | Ladies' seasonal fans | 10.97 | 43.88 |
| 6 | Ladies' tonal fans | 7.83 | 46.98 |
| 1 | Colour wheel | 4.68 | 4.68 |
| | Net | | 260.17 |
| | VAT @ 17.5% | | 45.53 |
| | Total | | 305.70 |

The wallets contain swatches of fabric which exactly match the drapes. They are precision dyed and are a one-off purchase, which should be tax deductible as business assets.

I have never needed to replace a drape yet; I still have some from over 25 years ago. My cover-up cape is still going strong after 20 years of constant washing and I have only had to replace the covers on my Seasonal fabric fans once in the same period. I have had my Tonal wallets for 11 years and they still look good enough for presentations.

If you want to take colour supplies away with you from the training course

Before the course starts, we will email you to ask if you would like us to arrange for any or all of the above colour supplies to be available for you to take away with you on the first day. These must be paid for at least one week in advance. You can order colour supplies in place of or in addition to those above. Full details and all the options will be discussed in the email we send to you two weeks before the first date of your Colour Analysis Training.

Ordering further colour supplies after the training course

You'll be able to order further drapes, wallets, etc. at any time and at wholesale prices, and be able to supply your clients with a fabulous choice of colour wallets at retail, thus making a profit for yourself.

Using your own drapes and swatches

If you already have your own drapes and intend to continue using those in your consultations, bring them along to the course so that we can use what you are already familiar with. All our courses are designed to work quite happily alongside anyone else's drapes, wallets, etc.
